

# EARN YOUR STRIPES

Earn your stripes by participating in the Battle of the Brain.

When you contribute to our discussions or lessons, you could earn a stripe.  
Your generals **AWARD** brave and valiant soldiers with stripes; you **DO NOT ASK** for them.

Once you earn a stripe, adhere it to this chart.

Remember, you are responsible for having your chart with you at **ALL** times...  
and for turning it in at the end of the quarter for participation points.
