Julius Caesar
Ides of March Fair Project

What to include on your science board:

1. a clever title that includes your theme
2. a scene from the play that relates to your theme
3. a metaphor poem that your group creates (150 words, 2 vocab words, 2 lit devices other than metaphor, and a quote from the play)
4. a quote from another source (a well-known aphorism, adage, or proverb)
5. a picture of the character from *The Tragedy of Julius Caesar* who represents your theme, and an explanation why this character represents your theme, a quote from the play to support it
6. a picture of a famous person (current or from history) that represents your theme; provide justification for choosing this person and how she/he represents your theme
7. the characteristics of your theme (what it means) using two vocab words and one lit device (they cannot be ones you have already used)
8. a song of your choosing that represents your theme (include the lyrics and a justification for your selection, using specific examples from the play)
9. a cartoon or comic strip (one you create or one you find online) that represents your theme (and your justification for its use and how it relates to your theme)
10. two graphics/visuals that represent your theme

Your board should look like this:

CHARACTERISTICS (#7)	TITLE (#1)	POEM (#3)
GRAPHIC (#10)	PICTURE OF CHARACTER (#5)	GRAPHIC (#10)
QUOTE (#4)	SCENE FROM PLAY (#2)	
		SONG (8)
CARTOON (#9)	PICTURE OF FAMOUS PERSON (#6)
